Full Online Movie Store Interface:

The screenshot shows a web application window titled "Online Movie Store". It features a form for adding new movies and a section for viewing available movies.

Form Fields:

- Movie ID:
- Movie Name:
- Duration:
- Movie Genre:
- Rating:
- Price:
- Discount:
- Targeted Audience: ☐ Children, ☐ Family, ☐ Teenagers, ☐ Adults, ☐ All Age Groups

Buttons: Clear, Add to Store

Available Movies:

Search based on Price:

| ID | Name | Genre | Duration | Audience | Price | Discount | Rating |
|----|------|-------|----------|----------|-------|----------|--------|
|----|------|-------|----------|----------|-------|----------|--------|

This is a close-up view of the form fields from the previous screenshot.

Form Fields:

- Movie ID:
- Movie Name:
- Duration:
- Movie Genre:
- Rating:
- Price:
- Discount:
- Targeted Audience: ☐ Children, ☐ Family, ☐ Teenagers, ☐ Adults, ☐ All Age Groups

Buttons: Clear, Add to Store

- Fill all the movie details in the empty text fields. Select the genre of movie from the **Movie Genre** drop down box. Select a **Targeted Audience** using the radio button and adjust the movie **Rating** using the slider. After all the data is entered, press the **Add to Store** button to add the movie record in the table.
- **Clear** button clears all the text fields and resets the data.

| ID | Name | Genre | Duration | Audience | Price | Discount | Rating |
|----|------|-------|----------|----------|-------|----------|--------|
| | | | | | | | |

- The added data records are displayed in this table.

| | |
|--|---------------------------------------|
| Available Movies: | Search based on Price: |
| <input type="text"/> | <input type="text"/> |
| <input type="button" value="Display"/> | <input type="button" value="Search"/> |

- In order to view the number and names of movies in any particular genre, select a genre using the drop down box in [Available Movies](#) and then press the [Display](#) button. The details will be displayed in a dialog box.
- In order to find a movie using any particular price value, enter the price in the text field in [Select based on Price](#) section and then press the [Search](#) button. The details will be displayed in a dialog box.
